DEDICATION

It is with much respect and affection that we proudly dedicate this 1957 year-book to our Principal, Mr. G. L. Conner.

For eight years he has served as a wonderful friend and counselor to the many students who have passed this way in their junior-senior high school careers. Our debt of gratitude is heavy, indeed.

The Annual Staff pays tribute to him in expressing sincere appreciation for his many valuable services.

STUDENT COUNCIL

The Student Council is composed of the President and representatives of each of the six grades, representatives of the major organizations, and is headed by the president Harold Collins, who was nominated by the Junior Class and elected by the Student Body in the spring of last year. The Student Council is under the guidance of Mr. Muncy, its sponsor.

Some of the projects this year were taking part in the Homecoming Parade, selling concessions at the basketball and football games in order that funds could be raised to sponsor such organizations as the school paper and annual.

SENIOR HIGH FOOTBALL

The "T" formation was installed in the 1956 season. The boys had to overcome a defeatist attitude in which they did with great stride. We went into a slump in the middle of the season, but came back to win the last three games, giving us a seasonal record of 5 wins and 5 losses. The team will miss the seniors in the coming season, but their positions will be filled with boys eager to play ball.

SENIOR HIGH BASKETBALL

The 1956-57 basketball season can be marked as a success in the record books of Vinita High School. The season's record was 10 wins and 10 losses, with victories over some teams Vinita hadn't beaten in many years.

Another accomplishment this year was the placing of two boys on the all-conference team. They are George Parks, a center and Jitter Ware, a guard. All in all, the season was one of which we can be proud.

JUNIOR HIGH BASKETBALL

The Junior Hornets enjoyed a fine season which ended with an impressive 15 won and 2 lost record. After losing their first game of the year to the Junior Eagles of Tulsa Edison. They were not topped again until late in the season when they lost to the Junior Wardogs of Miami, a team which they had previously beaten twice. Among their honors were the first place trophies of the Delaware and Welch Tourneys. The team proved their clutch playing ability by winning each of the three games of the Delaware tournament by two points. The final game was a double-overtime sudden-death affair. The outstanding season was made possible by a team effort sparkplugged by Armstrong, Brown, Daugherty, Garland, Parkhurst, and Seigel. Jerry Seigel was high scorer of the season with a 16 point per game average. The team was coached by Charles Galbraith.
